MARATHON *Standard Overlay*

 **Saco Industries, Inc.**
Kitchen & Vanity Cabinetry

Marathon Featured in "A" Option Wheat.

SHAKER: Madison / Marathon

Old world style with a contemporary flair provides a warm, intimate setting for entertaining family and friends. **Madison and Marathon** are distinctively styled with a touch of homespun simplicity. A variety of colors as well as concealed hinges help make these styles an easy choice.

FEATURES

1. Base and wall cabinets feature concealed hanging rails for a clean interior appearance.
2. 1/2" thick medium density fiberboard four sided drawer box with standard dovetailed construction for durability.
3. Fully adjustable epoxy coated drawer guide system features lifetime warranty.
4. 1/2" thick medium density fiberboard shelving dovetailed into base end panels for strength.
5. Durable 3/8" thick particle board end panels with UV coated maple woodgrain or white finish (depending on style) enhance interior.
6. 3/8" thick particle board floors with UV coated maple woodgrain or white finish are dadoed into base and wall cabinet end panels.
7. Hardwood face frames feature durable pocket route and screw construction.
8. Internal toe kick strengthens construction and keeps underside of cabinet rodent proof.
9. Self closing, adjustable concealed hinges feature lifetime warranty.
