*Standard Overlay*

# Marquis / Majestic

A kitchen built around **Marquis/Majestic** is breathtaking and comfortable. A gentle cathedral arch or elegant square lines combined with the majesty of solid maple hardwood, rich stains and distinctive features makes this cabinetry an instant classic. **Marquis/Majestic** makes itself at home in any surrounding and will provide a prominent style at an appealing price.

## FEATURES

1. Base and wall cabinets feature concealed hanging rails for a clean interior appearance.
2. 1/2" thick medium density fiberboard four sided drawer box with standard dovetailed construction for durability.
3. Fully adjustable epoxy coated drawer guide system features lifetime warranty.
4. 1/2" thick medium density fiberboard shelving dovetailed into base end panels for strength.
5. Durable 3/8" thick particle board end panels with UV coated maple woodgrain or white finish (depending on style) enhance interior.
6. 3/8" thick particle board floors with UV coated maple woodgrain or white finish are dadoed into base and wall cabinet end panels.
7. Hardwood face frames feature durable pocket route and screw construction.
8. Internal toe kick strengthens construction and keeps underside of cabinet rodent proof.
9. Self closing, adjustable concealed hinges feature lifetime warranty.
10. Marquis comes as a full overlay. Majestic design is a standard overlay.
